

Digital Forensics for Investigators Conference

Kansas City, Missouri Police Academy

October 20, 2017

WHY ATTEND?

The Heart of America Regional Computer Forensics Laboratory (HARCFL) and the High Technology Crime Investigation Association (HTCIA)-Heartland Chapter have joined together to provide valuable law enforcement training regarding current trends and case studies from an ever-increasing digital world.

Please join us on **October 20, 2017** for our fourth annual Digital Forensics for Investigators Conference. Learn from and share insights with colleagues and experts on the most pressing issues associated with digital forensics and cyber investigations.

This year's agenda includes—

Case study presentations on: AlphaBay-Darknet Market Investigation, Edward Snowden Investigation

Resource-Based Education: Cellular Analysis Survey Team (CAST); DOJ's National Domestic Communications Assistance Center (NDCAC); First Responder Digital Evidence Collection

Presentations on: Basic Tor/Darknet Investigations; Basic Bitcoin/Digital Currency Investigations; Interpreting HARCFL Results; and Accessing the HARCFL Virtual Cell Phone KIOSK
