Legal Authority Statement

The Philadelphia Regional Computer Forensics Laboratory requires all cases to be provided with written documentation of legal authority to conduct the search/examination of the media submitted. In cases where a search warrant or written consent to search is not provided, this form will document that legal authority is present necessary to conduct the procedures requested. **Legal authority should be discussed with the prosecuting authority for your jurisdiction or agency legal advisor. The PHRCFL reserves the right to refuse examination of any media for any reason or may request additional documentation.**
