To Whom It May Concern:

I understand from the [insert police department/agency name here] that the property, [list evidence to be examined here], was abandoned by [insert name of victim/suspect here]. Therefore, no search warrant is needed to search the contents of the [list evidence to be examined here]. Should any evidence of criminal activity be found on the [type of evidence to be examined here], the [insert name of Attorney's Office here] would be interested in prosecuting whatever applicable charges the evidence supports.

Signed,
